INFORMATION DISCLOSURE STATEMENT

Applicants request that the references identified on Form PTO-1449 appended hereto be considered by the Examiner and officially made of record in accordance with the provisions of 37 CFR 1.97. Their inclusion herein should not, however, be construed as an admission that any particular cited document is effective prior art or that it discloses or renders obvious any aspect of the claimed invention. As US patents and publications are no longer required to be submitted, copies of these do not accompany this response. Should the Examiner wish copies of these patents or publications please advise the undersigned at the number indicated below. Consequently it is not believed that any additional fees are due.

A copy of the International Search Report, which issued on International Application No. PCT/GB2005/000266 is submitted herewith. All of the publications cited in the International Search Report are listed on the attached form PTO-1449 and Applicants understand that copies have been supplied to the U.S. Patent Office by the International Bureau.

This information disclosure statement also provides for an updated listing of Applicants copending applications. Pursuant to request by the PTO in a related application, the respective US serial numbers for Applicants co-pending applications are now cited on the accompanying PTO 1449 form. Applicants also have three pending PCT applications which have designated the US and will be contemporaneously entering national stage via the provisions of §371: WO 05/073219; WO 05/073189; and WO 05/07232. These PCT publications are also noted on the PTO 1449 form
